

WIGMORE CYCLING CLUB

BILL PHILBROOK MEMORIAL

25 MILE TIME TRIAL

held on

SUNDAY 10TH MAY 2009

On Course Q25/8

(Chilham)

(This event was promoted for and on behalf of Cycling Time Trials under their rules and regulations)

After the windy weather of the preceding week the weather changed for the better. Just for the Bill Philbrook Memorial event it seems, judging by what we have had since. A full field at last. Initially I was a little apprehensive about the reserve system but with the cooperation of those that knew they would not make it, all reserves were allotted a place before the day. So no additional official required on the day and no problems presented to the timekeepers.

Another first for me were riders needing hospital treatment. I wish both James Hoskin and John Bosley a speedy recovery.

My thanks once again go to Paul Mephram and Vic Williams for another sterling job as timekeepers. Also Clin Maisey and Robert Philbrook for pushing off and later to present the awards, Geoff Martin and Paul Buckley for marshalling at Thannington., John Booty and Dave Bedford, Jim Little and to Greta (great to see you both out) for taking care of the Chilham Fork. Yet again Derek Duchemin (Ashford Wheelers) along with Brian Vaughan and Sue who came in from Biggleswade on the morning to looked after the Ashford turn. Martin Trice on completing his ride along with Clin assisted me with the result board. Also to Roy Mace for assisting with the signs and number spotting at the finish and for hanging on for another hour or more after all had gone home to await the arrival of someone to move the vehicle of the unfortunate James.

The tea bar was ably looked after by Pearl, Eunice and Ann who had earlier taken care of the signing on. I was sorry to hear that Ann Bedford was unwell but thanks for the homemade scones that Dave brought along. As usual they all went. In fact a big thank you to all who made cakes for the well stocked tea bar. With assistance as needed from one of Bill's daughters Anna and grandchildren Kelly and Jessica who had fun sorting the numbers of finishing riders. If I have left anyone out then my apologies. Please consider yourselves thanked.

Once again it was wonderful to see Bill's elderly widow Mary making it to the event. Thank you Mary for all of those nice things you said and for the surprise presentation you and your family made to me. It has indeed been a pleasure to honour Bill's memory with this event for so many years.

What a fantastic ride by Ben Instone. Seems he is making a habit of breaking his own course and event records. Happy to shell out to attract a rider of his stature. Pete Tadros still after his hat trick of wins in this event, managed instead to complete four 2nd places to go with his two wins.

Congratulations to all prize winners. Especially happy to increase the amount of awards to the Ladies. An amazing 19 entered and 3 withdrew before closing time. Never had anywhere near that amount of the fairer sex in this event before. Another super ride from Carole Now a little more than a month away from her 65th birthday.

Now you know that full fields can happen in 25's in the SEDC it can no longer be assumed that a late entry will always be accepted. I hope that you all enjoyed the event and look forward to receiving your entries again next year.

Doug.
